Bill Number: HB 347

Date Prepared: 2/17/11

Short Title: Revise education laws to provide for civics from kindergarten through 12

Sponsor: Representative Alan Hale

Fiscal Note Version and Date:

Generally, why do you disagree with the fiscal note?

I would submit that we have the programs already in the system to accomplish what is desired with this bill, HB – 347.

Specifically, what in the fiscal note do you feel is flawed?

My assumption is that all of the infrastructure is in place and has been for over 200 years to accomplish this task that 347 would mandate.

What is your estimate of the fiscal impact?

It would stop this bill from moving forward. I feel that this bill would benefit all of our future generations of Americans. This bill should have a zero fiscal impact.
